Hi Mark,

Bill and I spoke yesterday. Since the source of the corporate information in our PRP search came from public records, it seemed acceptable to discuss.

Subject: Your Call

Bill, thanks for your VM msg. yesterday afternoon. I am fine with your calling Scott directly to ask what the PRP search report concluded with respect to the Glencore-CFAC relationship. The caveat I will add is that Scott and I have not yet had an opportunity to discuss the report or this particular issue.

-Mark
